Subject: Support Retirement for All!

Date: March 3, 2014 5:12:39 PM EST

Everyone deserves a secure retirement. I have worked for more than 40 years, and while I have diligently put away retirement accounts, I do not believe they'll sustain me for my lifetime. You can say I should have done more, but my best efforts are enough. And I am in a better position than millions of Americans. The extraordinary cost of health care and the high cost of living makes retirement an unattainable dream.
